Juniors and Seniors Not Registering for a Math Course

I have been advised that the Montana University System has math proficiency standards that require a C or better in 4 years of high school math (or a 22 ACT Math Score). I am waiving the recommendations of the CHS counseling and math departments to sign up for the next sequential math course in the college-prep curriculum. I have been informed that all remedial math classes at the 2 and 4 year colleges will be for no credit and at the full tuition rate. Final math class placement will be determined after 2nd semester grades are finalized.

								Go to pt IV	PART IV: Additional Courses
								Courses to Retake	
								8360 Credit Recovery	

1. If you are signing up for a semester course, be sure to sign up for a minimum of two so as to cover both 1st & 2nd semester.
2. You must register for at least 6 credit-bearing classes. Early period is not guaranteed. Students with early period must have their own transportation.
3. Classes followed by a number in the first column require the prerequisite; courses with a blank in the second column require a teacher signature.
