

CAPITAL HIGH SCHOOL BOOSTER CLUB...

Needs You!

Dear Booster:

The Capital High School Booster Club is a group of parents, faculty and volunteers dedicated to strengthening student excellence at Capital High. Our goal is to work with school educators, staff, and parents to promote school spirit, athletics and academics to enhance the educational experience. We are a registered not-for-profit organization* that supports all students by providing financial assistance to various school groups, activities, projects, and more! Financial requests made to our club frequently exceed our ability to assist. **Please consider donating to the CHS Booster Club for the 2016-17 school year! Our success depends on Boosters like YOU!**
