## **Jackie Polette (May) Volleyball Scholarship Criteria**

This scholarship is given to honor and remember Jackie (Polette) May (award of \$500 check will be sent in February, after receiving a transcript after the recipient's first semester, showing a minimum GPA of 2.5, in an accredited college or trade school.), a three-year All-State volleyball setter, from Capital High School, who led her team by example, through her actions and words. As captain, her junior and senior years, Jackie was truly concerned about making every teammate better, both on and off the court. Her contagious enthusiasm and optimism combined with her athleticism and intelligence drew people to her, and her unconditional love for them kept them there. Jackie treasured her education, and this scholarship is lovingly given by her family to a dedicated student/athlete volleyball player, from Capital High School, who exudes the same characteristics that Jackie had, and who wants to continue their education and hopefully volleyball career, on the college level.

We are looking to award a Capital High Volleyball senior who resembles the atmosphere and attitude that Jackie brought to the Bruin courts:

- Outstanding volleyball player with equally good character
- Leader
- Respects and lifts ALL people up and helps them to become their best
- Strong academics
- Team player
- Strong work ethics
- Senior at Capital High School

**The Polette Family would like to respectfully request, that the recipient write us a letter after the completion of their freshman year telling us how it went.**
